BERMUDA INTERNATIONAL
GYMNASTICS
CHALLENGE

On behalf of the Bermuda Gymnastics, I would like to invite you to take part in our 6th annual International Gymnastics Challenge (IGC). We are honoured to serve as your hosts once a year as we share a weekend of gymnastics excellence, laughter and adventure.

Our 2016 meet will once again feature an USAIGC qualifier for all USAIGC members striving towards the 2017 National/ World Championships at the end of June 2017. After the feedback from last year, we are excited to announce that we are also holding separate competitions for both USAG Boy and USAG Girl competitors across the same weekend. This expansion to other streamlines and disciplines encourages more participation as Bermuda strives to promote the growth and development of gymnastics across the island.

The past success of this meet would not be possible without the support and directions of past administrations, the dedicated parent volunteers, and our coaching staff who work to ensure a positive experience for all.

We look forwards to seeing you this fall.
