Rates: **TBP**

The Crystal Springs, Hotel & Spa is beautiful. It has an Indoor/outdoor pools that are lighted at night and blink to the music, Indoor & Outdoor Jacuzzi Pools indoor, Basketball Court, Spa, Health Club and a Good Restaurant.

Seeing one of our clinicians jump from a "cliff" into the pool/Jacuzzi was worth the price of admission. As a coaching family we must come **together** and work as an Association. This goes for Owners as well.
