

Aflac?

Employee benefits made for gymnastics!

- Aflac sends cash directly to employees if they are sick or hurt.
- It doesn't matter how much their regular health insurance covers, Aflac pays on top of it.
- Even if medical insurance covers 100%, Aflac still pays you the same amount!
- The money can be used for anything the employee decides: co-pays, deductibles, even your rent, mortgage, gas, groceries, credit cards, utility bills or put it in the bank...
it's like insurance for everyday living!
- Claims are processed fast, usually within 1-3 days, so employees get the money when they need it.
- Aflac is guaranteed renewable for life, meaning the rates will not go up and the coverage will never be cancelled, as long as the policy is paid.
